Sadesati Detail

The transit of Saturn into the zodiac sign from the house in which planet Moon is located at the time of your birth is known as Saade Saati of Saturn. The Saade Saati of Saturn has three phases: The transit of Saturn into twelfth house from Zodiac sign of birth is called the first phase. The transit into the birth sign is the second phase. The transit into the second sign from the birth sign is the third phase. As Saturn remains for two and half year in each phase that is why it is called Saade Saati. The seven and half years are never always unlucky only. The favourableness and unfavourableness of Saturn depends upon its relations(friendly/enemy/neutral)withthe ruler of that particular house and according to the ownership of Saturn in the house of birth sign.

Saturn - Date wise Table of Sadesati

First Cycle
First Phase 24/07/2002 - 06/09/2004
Second Phase 06/09/2004 - 02/11/2006
Third Phase 02/11/2006 - 10/09/2009

Second Cycle
First Phase 31/05/2032 - 13/07/2034
Second Phase 13/07/2034 - 28/08/2036
Third Phase 28/08/2036 - 23/10/2038

Third Cycle
First Phase 11/07/2061 - 25/08/2063
Second Phase 25/08/2063 - 13/10/2065
Third Phase 13/10/2065 - 31/08/2068

Your first phase of Saade Saati begins with the transit of Saturn into the Gemini sign. In the first phase, Saturn remains in the sign of its friendly planet Mercury. Here Saturn is located in the twelfth house, while ruling the seventh and eighth house. Due to location of Saturn into

the Gemini sign, your nervous system turns weak. Sometimes wrinkles appear on the skin of the body. The diseases like indigestion, gastroantritise, epilepsy or insanity trouble you. You roam around aimlessly and enjoy staying away from home. There is wastage of money and you raise loans also. Due to these reasons, you feel mental distress. You indulge in different affections, which results in laziness and unfaithfulness. You develop a feeling of bitterness, anger, rivalry and opposition in your mind. Your righteous deeds begin to turn wrong. Your mother and maternals may suffer. You may stay away or go abroad and you generally succeed there. You also develop interest in the people of low birth or in mean activities. You must observe extra carefulness while driving a vehicle and remain alert against arms and electricity. If you are holding a govt job, your relations with the high officials are spoiled and therefore there are chances of getting transferred also. At such times, you may have to change your line of business and face discord with the partners, as they may betray you. Your spouse and son also face problems. You become a source of amusement several times due to your own activities. You may face separation from your brothers and other family members, or there may be disputes with them. There are also chances of theft at your place of work.

Your second phase of Saade Saati begins with the transit of Saturn into the Cancer sign. In the second phase, Saturn remains in the sign of its enemy planet Moon. Here Saturn is positioned in Lagna while ruling the seventh and the eighth house. During this period, you suffer from a particular problem and you turn obstinate. Due to these reasons, your success turns into a failure, but relations with the high class improves unto some extent and may find a little progress. The enemy class has to face defeat, but even then you remain mentally and physically disturbed. There is loss in delight from the mother, but you still remain courageous. As you are a well behaved person, you ultimately succeed in your deeds. The enemies grow stronger during this period. But before doing anything, you must think over it thoroughly. It becomes harder to recover the lended money. The environment in the house becomes full of conflicts, but at such a time you suddenly find help from somewhere.

Your third and last phase of Saade Saati begins with the transit of Saturn into the Leo sign. In the third phase, Saturn remains in the sign of its enemy planet Sun. Here Saturn is positioned

in the second house, while ruling the seventh and the eighth house. In this situation, Saturn creates loss of wealth, so there is reduction in accumulated money. You indulge in misdeeds due to lack of funds, which may cause you defamation. In such a situation, you may have to face separation from family or lose the company of brothers, hence the peace in the house disappears. There are possibilities of staying away from your beloved ones. You may have to face betrayal in the business of partnership, or there may be loss in the profession related with iron and wood. Due to some reasons, you may have to change the place of residence or stay away from home by getting transferred etc. The officials also remain angry and dissatisfied. During this period, you may acquire a vehicle, but the chances of accident always exists, so you should remain careful while driving a vehicle. If you are undergoing some studies, you try to enter in business, but do not succeed and face defamation. You succeed in some writing work. You try to be self dependent and you succeed.

The complete period of Saturn's Saade Saati does not remain same. Its favourableness and unfavourableness depends upon the star under which Saturn is moving. The remedies for reducing the sinner effects of Saade Saati are based on Mantra, devotion, worship and donations. A thorough analysis of the horoscope is required in this regard, for the knowledge of remedies for reducing the harm. For the DOSH SHANTI, the following remedies may be adopted for lessening the sinner effects of Saade Saati. There are great possibilities of benefit, if these remedies are adopted prior to beginning of the Saade Saati :-

1. Lord Saturn should be worshipped and oil may be offered in temple on every Saturday.
2. In the evening, the following mantra of Saturn should be muttered for 108 times : "OM Sah Shanishcharai Namah" or "OM Sham Shanishchrai Namah".
3. Keep a fast for atleast 40 Saturdays. This fast should be started in the brighter half of the lunar month.
4. A mustard oil lamp should be lighted under a peepal tree.
5. Iron, black collyrium(kala surma), mustard oil, leather shoes, black cloth, liquor, black urd dal etc. should be donated on Saturday.
6. A ring made up of black horse shoe or nail of the boat or blue sapphire should be worn.

7. Serve the people of low birth or give donations to them.

Though these remedies have been described, yet they should not be adopted by self. An able and learned astrologer should be consulted prior to applying these remedies. If these remedies are adopted properly and well in time, then the results of Saade Saati are not so sinner and adverse in effect, as they are told to be.

Manglik Considerations

The 1st house of your horoscope is occupied by Mars, due to which you are a Manglik. This position of Mars shows that, you will be sharp minded and possess a good health. During your childhood, you may normally be troubled with problems concerning stomach and teeth. You should be careful towards problems related to blood and acidity in your life. But these problems will not have much affect on your health. You will gain victory in every work through your courage. The position of Mars in the 1st house of your horoscope shows that there may be some delay in your marriage. The reason for the delay can also be that you may not find a life partner as per your wish and thoughts. After your marriage, the health of your spouse will remain good and you lead a happy married life.

The position of Mars in the 1st house of your horoscope aspects the 4th, 7th and 8th house of your horoscope. With the aspect of Mars on the 4th house of your horoscope, you may have to work harder than in normal circumstances, to gain pleasures in life. You have the chances of acquiring land and vehicle in your life. The aspect of Mars on the 7th house of your horoscope shows that there are chances of your spouse falling ill sometimes. But this will not affect your married life much. Due to the aspect of Mars on the 8th house of your horoscope, you may have to struggle a bit in your life. You will successfully curb every forth-coming difficulty in your life with courage. You may be troubled with acidity and blood related problems in your life, but these problems will not have much affect on your health.

To minimise the malefic effects of Mars on your married life, and as a remedial measure, you should marry only a Manglik. By doing so, it will neutralise each other' s Manglik effects. To cancel the manglik effects, Saturn or Rahu should be situated in any one house among the 1st, 4th, 7th, 8th and 12th house, in the horoscope your spouse. If the Manglik effects of both male and female are nullified in this manner, then you can lead a happy married life. Your health will also remain good and you shall be prosperous and possess the worldly pleasures.

KalSarpa Yog

There are various kinds of Yogas in a horoscope and all these yogas give rise to different kinds of results. There are both auspicious & inauspicious yogas in a horoscope. The auspicious ones produce good results whereas the inauspicious ones produce bad results. Of the various inauspicious yogas, one of them is Kalsarpa Yog. In a horoscope, when all the planets are placed in-between Rahu & Ketu, then it is called a Kalsarpa Yog. We may not find a detailed description of this yoga in the ancient astrology literatures, but we definitely cannot ignore it as well.

Even renowned ancient astrologers like Maharishi Garg, Parashar, Bhrigu, Varha Mihir etc have acknowledged Kalsarpa Yog. The ancient people have given special importance to Kalsarpa Yog. They have regarded Rahu-Ketu as Karmic planets, Rahu as the dragon' s head & Ketu as the dragon' s tail. Nobody has spoken about the good results of this Yoga. Rahu & Ketu are both shadowy planets and have no physical bodies, yet they are such inauspicious that the formation of Kalsarpa Yog due to these planets is known to give out bad results.

Your horoscope is free from Kal Sarpa Yog.

Dharmi Teva

Some horoscopes are considered as Dharmi horoscopes in Lal-Kitab. According to Lal-kitab, Rahu, Ketu & Saturn are considered as malefic planets. Mars is also included in this group if it is showing negative results. In the Dharmi horoscopes, the negative affect of malefic planets gets reduced to a good extent.

If Jupiter is conjoined with Saturn in any house or if Saturn is posited in 11th house then the horoscope is known to be Dharmi. The combination of Jupiter and Saturn is capable of averting many adversities. Their placement especially in 6th, 9th, 11th or 12th house gives astonishing results. Such horoscopes are blessed with divine blessings. A horoscope also becomes Dharmi if Rahu or Ketu is posited in 4th house. The combination of Moon with Rahu or Ketu in any house of a horoscope also makes it a Dharmi Teva.

In Dharmi horoscope the native gets divine help in the time of crises. Since Saturn is considered to be the planet of judgement, its nature becomes soft and sympathetic towards the native because of its association with the planet of luck- Jupiter. Similarly, Rahu and Ketu (dragon's head & tail) are supposed to produce obstacles in the path of native. But they don't harm the native if they are posited in the 4th house or conjoined with moon in any house.

Result

Your Horoscope is non-Dharmi horoscope.

Semi - Blind (Night Blind) horoscope

According to Lal-Kitab, planets in some horoscopes don't show good results even though they are well placed. Such horoscopes are not favourable for professional success, mental peace or harmonious family life. These horoscopes can be compared to a person who is suffering from night blindness.

A horoscope is called as Semi-blind if it has Saturn in 7th house and sun in 4th house. In such condition, Saturn aspects sun by 10th aspect. The aspect of Saturn on sun is not considered to

be auspicious moreover Saturn becomes powerful in 7th house thereby it spoils the result of 9th, 1st & 4th house, the houses of luck, health & comforts respectively.
Hence in such conditions, the remedies of Sun will be of no use. In such cases, to terminate the ill effects of Saturn, one must always follow the only the remedies of Saturn.

Result
Your Horoscope is not night-blind horoscope.

Blind horoscope

In a horoscope, 10th house plays a very important role as this house is linked with the status, profession and favours from the superiors. From the health point of view, it is associated with Bones, Back, Knee joint & Kneecap.
In general, it is connected with Profession, Source of Livelihood, Business affairs, Profession, Position in life, Status, Political power & dominance. The diseases related to this house are Leprosy and Leucoderma.
If 10th house has inimical planets posited there or there is no planet at all in the 10th house, then the horoscope is called as a Blind horoscope even though the natural lord of 10th house Saturn, is well placed or exalted in the horoscope. For e.g. Moon & Ketu, Saturn & Sun, Sun & Rahu etc are inimical to each other. Their placement in the 10th house will spoil the beneficial results of the other planets.

Your Horoscope is blind horoscope.

Minor

According to Lal-Kitab, in certain conditions some horoscopes are considered as minor till 12

years of age. The fate of such horoscopes is unpredictable till 12 years. Such horoscopes carry the effect of the karmas of their previous birth. The effect of the planets in these horoscopes can be compared with the results achieved by a minor, as a minor is dependent on adults in the family & cannot achieve much on its own. Similarly the planets in Minor horoscopes cannot show their full potential even though they are well placed.

A horoscope is said to be a Minor one if 1st, 4th, 7th and 10th houses do not have any planet or only Saturn, Rahu or Ketu are placed there or there is only mercury placed in above mentioned houses.

According to Lal-Kitab, the native of a minor horoscope experiences the effects of each planet, every year, till 12 years of age as per the given table below. For e.g. in the 1st year, planets posited in the 7th house influence the native. In the 2nd year, planets in the 4th house play a major role on the destiny and so on. Hence, in order to counter the bad effects of these planets every year, natives must follow the remedies of the planets, which effect their life till 12 years of age.

Result

Your Horoscope is not Minor horoscope.
